Part 1: Essay (25 Marks)

Write a story in which there is a difficult decision involved. This story might include owning up to something, revealing the truth about a friend, or making the decision to move to a different place or school. Such decisions will involve mixed feelings.

Ideas to help you:

Character

How many characters will you have?

What will their role be in the story?

Will you be writing as if you are the main character – that is, in the first person?

Setting

Has the place where the story is set got any significance?

How will you bring it into the story?

Plot

Which part of the story will be the most exciting?

How will you end it?

Remember to include as much detail as you can in your story. It can be of any genre that you like.
